

## Fedora Weekly News

Fedora Weekly News (FWN) is the weekly newsletter for the Fedora Project, reporting on activities, developments and news about Fedora. FWN is planning to transition to a new Drupal-based platform for workflow, editing, publishing and dissemination, and, in advance of this, we would like your feedback on how you, the reader, uses FWN and solicit ideas for improving the quality and service of FWN to meet your needs! If you are only an occasional reader of FWN, you may want to check out our latest issue to re-familiarize yourself:

Thank you for taking the time to provide use feedback on Fedora Weekly News! This will be valuable as we integrate FWN into our new Drupal-based news and information portal, Fedora Insight. The survey shouldn't take more than about 5-10 minutes of your time. Thanks again!

*There are 10 questions in this survey.*

### ***A note on privacy***

This survey is anonymous.

The record kept of your survey responses does not contain any identifying information about you unless a specific question in the survey has asked for this. If you have responded to a survey that used an identifying token to allow you to access the survey, you can rest assured that the identifying token is not kept with your responses. It is managed in a separate database, and will only be updated to indicate that you have (or haven't) completed this survey.

There is no way of matching identification tokens with survey responses in this survey.
